We are the leading destination management company in the Republic of Maldives. We have formed a strategic alliance with Aitken Spence Travels Ltd, the leading destination management company in Sri Lanka.

Starting from the very first inquiry, we have holiday advisers working around the clock and advising our clients on what best suits their budget. From airport representatives to transfers, our priority is to guarantee peace of mind and make sure our client’s expectations are always exceeded.

Our greatest asset and the key to our success is our people. Each of our 17 experienced staff is committed to creating the most appropriate travel programmes.

## Supporting our community

### Anula Wijewardane Girls Home

Anula Wijewardane Girls Home is an orphanage located in the Southern part of Sri Lanka in the Coastal village of Balapitiya. The orphanage provides free accommodation and educational facilities for around 45 destitute girls, most of whom are aged between 5 and 18 years.

### Mirissa Water Sports Project

The project aids the Mirissa community to undertake a commercial venture aimed at providing services for tourists interested in whale and dolphin watching.

### Other initiatives

Other initiatives that we're involved in include donations for flood victims effected by the monsoon rain and the community centre, preschool and medical centre which was built as part of the Trincomalee Tsunami Housing scheme infrastructure, training librarian staff, and supporting other school activities for years to come. Other contribution was delivered in Anhui and Henan province.
