Social responsibility

MWK (Mauritius Wildlife Foundation)

We support the foundation's Ile aux Aigrettes programme, by offering a donation for every participant joining our excursion on our island. The programme helps fight against the degradation of the Ile aux Aigrettes nature reserve, a precious refuge for a wide variety of endangered species.

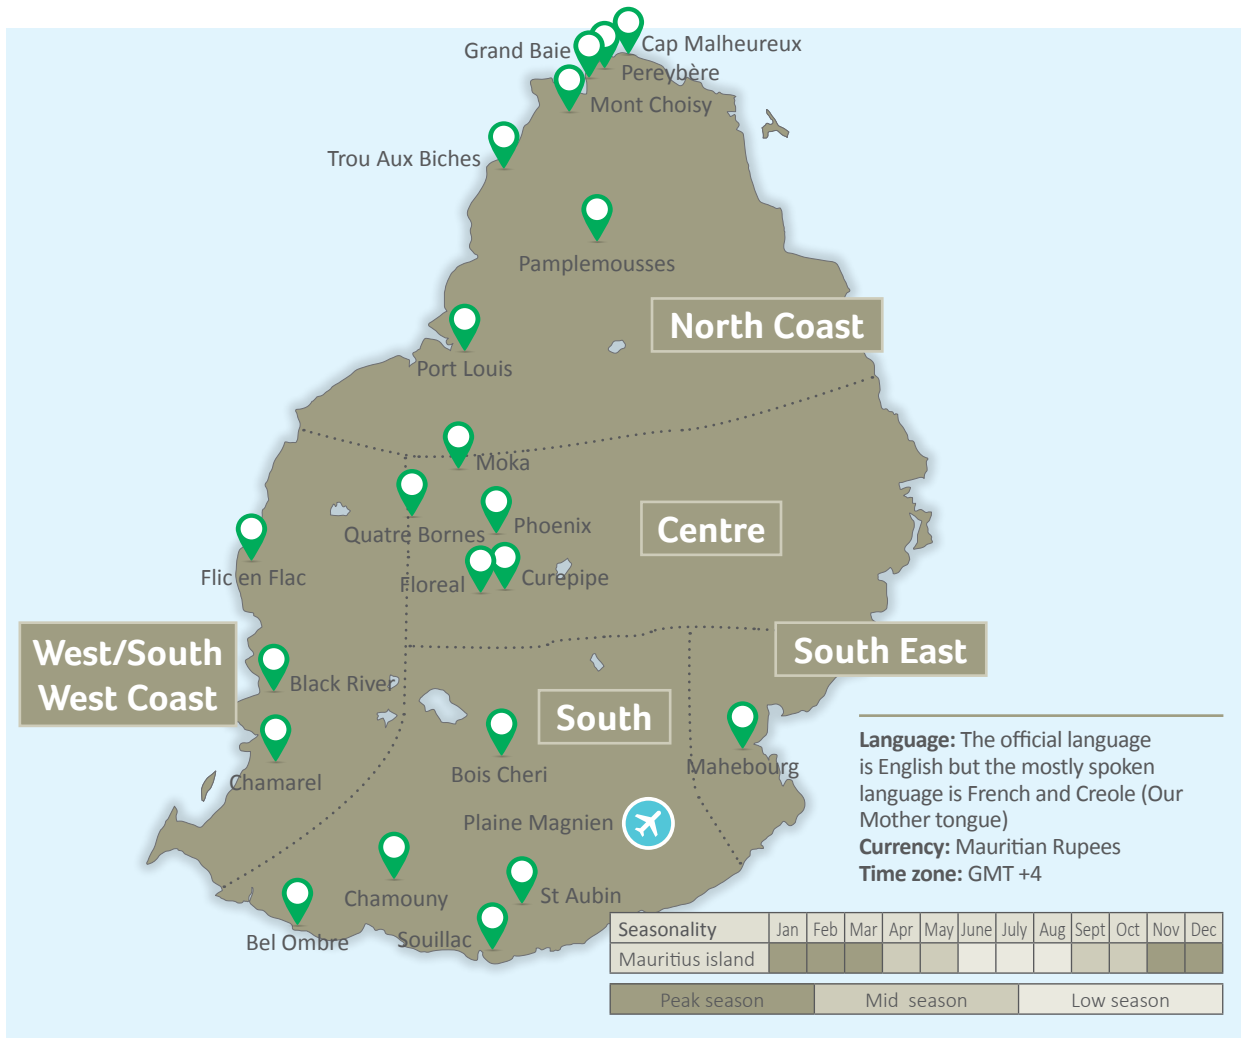

Friends of the Environment Association

We provide funds to help the restoration and conservation of the Martello Tower, a national landmark and cultural heritage site on the west coast of Mauritius, vestige of the British Empire's occupation of the island.

Social development of Quatre Bornes

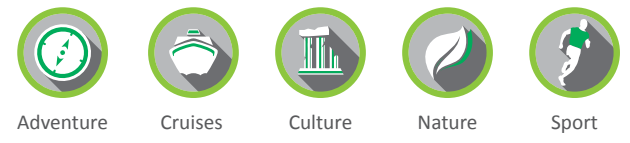

We endeavour to help the neighbourhood of Quatre Bornes, where our company is located. In this spirit, we provide support to one orphanage, the Crèche Coeur Immaculée de Marie and to one homeless night shelter, Abri de Nuit de St Jean.
