Our fleet

Travco owns a fleet of luxury vehicles of varying capacities including Toyota Coaster minibuses, luxury coaches and 4x4 Safari Jeeps.

Our desert camps

We have two dedicated campsites in unique desert locations. They are located within an hour's drive of the city and beach hotels. Our first campsite can accommodate from 50 to 1500 guests and the second can accommodate from 20 to 200 guests. Both campsites resemble an authentic Bedouin village where the tents are built with barasti and lined with traditional black and red material. Our guests can experience camel rides, henna design, belly dancing, tanoora dance and original Arabic costume. The campsites all contain authentic spice and vegetable souqs, pottery artifacts and open flame lanterns all combining to original Middle Eastern Bedouin experience.
